## **NEW SHEDS**

A new shed has been applied for the Rocky Gully and Woogenellup Brigades in the LGGS budget application. With a cost of \$1.5M and endorsement from Plantagenet Shire Council with a self-supporting loan serviced by DFES

With new builds the current ruling is a bay for each current appliance.

i.e. one appliance then we can only apply for a one bay shed etc.

These have been approved to build and the Shire is in consultation with brigades throughout the build.
